

THE TEMPTINGPLACES WEBSITE IS GETTING A MAKEOVER!

TemptingPlaces, the first collection of unique boutique hotels around the world, is delighted to unveil its new website.

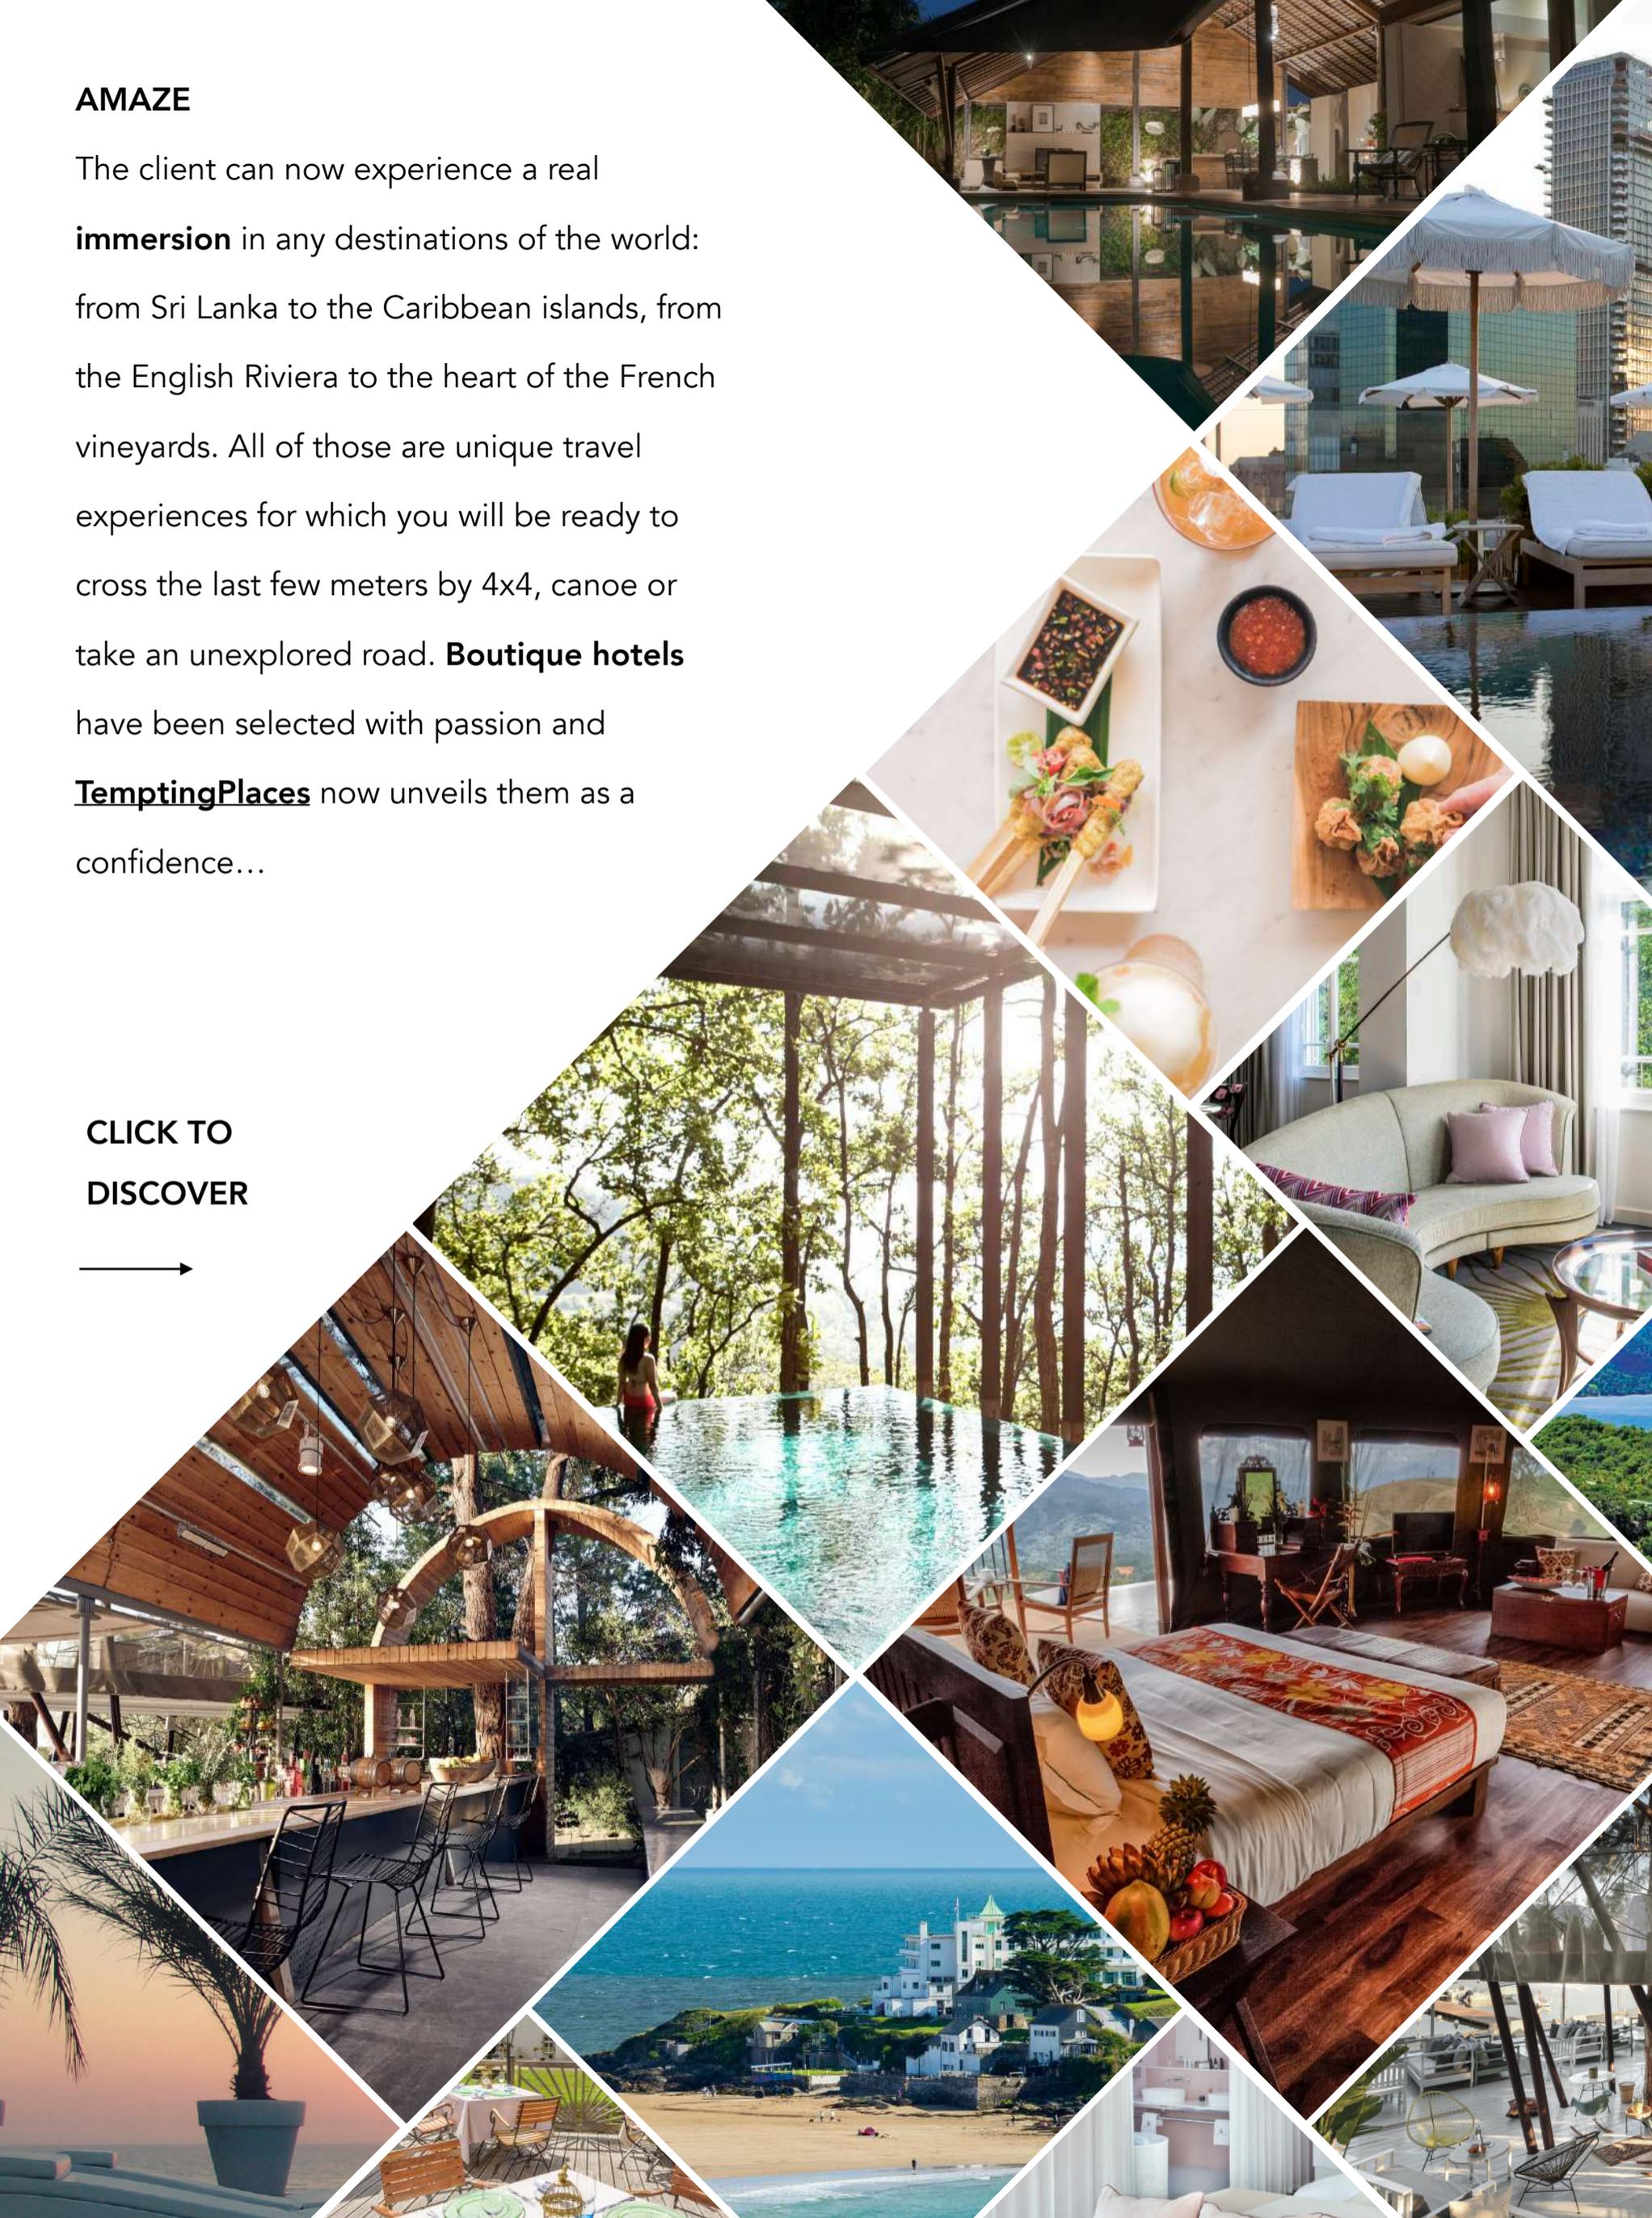

To offer a **new browsing experience** and even more simplicity to escape, the pioneering brand referencing **unique** and **experimental** boutique hotels has carefully redesigned **www.temptingplaces.com**. Here is where the travel journey begins...

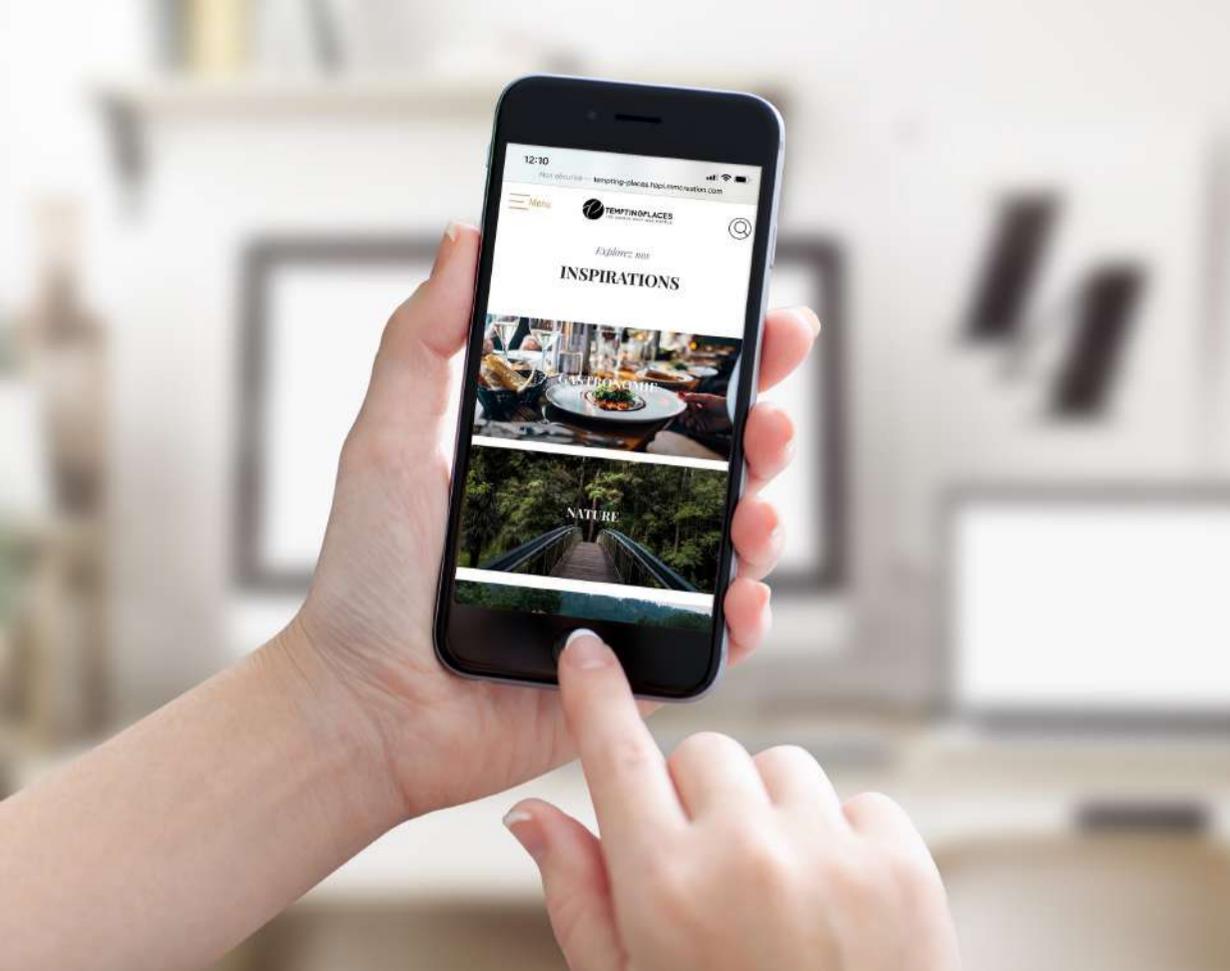

AMAZE

The client can now experience a real **immersion** in any destinations of the world: from Sri Lanka to the Caribbean islands, from the English Riviera to the heart of the French vineyards. All of those are unique travel experiences for which you will be ready to cross the last few meters by 4x4, canoe or take an unexplored road. **Boutique hotels** have been selected with passion and **TemptingPlaces** now unveils them as a confidence...

CREATE A CUSTOMER EXPERIENCE

Undeniably more **ergonomic** and **modern**, the new website is designed to anticipate the needs of Internet users and offer a smooth adapted navigation. From creating a journey that matches travelers looking for a « **gold stone** », a coherent and seamless experience awaits them - thanks to a fully **responsive** website that fits all screens. TemptingPlaces

invites users to live a "**cross-channel**" **experience** by continuing their exploration on social networks, by phone or by email. The tailor-made experience takes on its full meaning with a **TemptingPlaces concierge service** that responds to customer requests, for a stay in complete serenity.

FACILITATE

Finally, the development of the new version of the **temptingplaces.com** website is the result of constant adjustment to customers' expectations. **Intuitive, user-friendly** and **fast**: everything has been designed to ease the decision-making and booking process. The website offers different entry points with a search by hotel as well as destinations and **travel inspirations: gastronomy, nature, well-being, mountain, seaside, city-trip.**

As you search, you can learn more about the history of TemptingPlaces and its commitment to providing travelers with **memorable experiences**. Let yourself be carried away by the soul and **authenticity** of the most unique establishments in the world...

Sleek design, modern look and **responsive** web design approach, the brand new website of TemptingPlaces has been designed by the web agency MMCréation specialized in the hotel industry, and is now online: www.temptingplaces.com. There are journeys to live that cannot be forgotten....
