

ES RACÓ D'ARTÀ, A NEW GEM OF THE BALEARIC ISLANDS JOINS TEMPTINGPLACES

Es Racó d'Artà, a wellness retreat, where you can reconnect with yourselves and with the essentials for a moment, a real gem in the sapphire waters of the Mediterranean where you can explore different horizons with the paths of self-discovery and holistic retreats, [joins the TemptingPlaces hotel label](#)

Nestled in a **natural site of great beauty**, **Es Racó d'Artà** is a **new holistic concept** located next to the **historic authentic town of Artà**, on the eastern part of the island. Outstretched in the valley, its nearly 200 acres encompass an authentic **13th-century stone farmhouse** with several buildings. Almond, fig and olive trees, local fruit trees, 14 acres of grapevines and their ecological vegetable gardens on numerous fertile fields... It's here, within this peaceful environment, that this **newly-opened retreat** invites its guests to **connect with nature** and lift themselves beyond their **well-being**.

Antoni Esteva, a famous **architect originally from Mallorca**, has transformed dozens of buildings on the island. Though there was something special about Es Racó... **Together with Jaime Danus**, his good friend and constructor, also proprietor, being **fascinated by the beauty of the environment** they decided to acquire the finca (estate) and transform it to a **holistic sanctuary of senses**.

Sustainable, Delicate and minimalist design of Es Racó's 31 suites and casitas, 34 rooms in total, reflects **the energy and genuineness of the region**. Wooden furniture and natural linen cushions, organic hemp ropes and artistic sculptures, flawlessly mixed with **contemporary artworks by Majorcan artists**, displayed in the rooms and public spaces... let the peace and calm fill you as you observe the **impressive views over the valley** and **embrace moments of connexion** in these elegant cocoons, bathed in the warmth of gentle Spanish sunshine. **A truly intimate place** to recharge and connect through the good Majorcan living !

STEP THROUGH THE DOORS OF ES RACÓ D'ARTÀ'S WELLNESS CENTER AND GIVE SPECIAL CARE TO YOUR BODY AND MIND...

Seamless **swimming pools, jacuzzi, sauna, Turkish bath, relaxation and meditation areas...** At Es Racó d'Artà each space is transformed into a **unique experience**, where the notion of time and space disappears. Make sure to try a unique **Watsu treatment**, performed in the original treatment pool - this aquatic massage creates optimal conditions to enter a state of deep relaxation through the union of water and shiatsu, aiming to release the everyday tensions. An ultimate pleasure!

THE JOURNEY OF THE SENSES GOES ON AT ES RACÓ D'ARTÀ'S RESTAURANT...

A real promise of a healthy gourmet voyage through the estate's seasonal eco vegetables mixed for traditional and balanced flavors.

The respect for the environment and the body can also be read on the menu, composed exclusively of **organic products** grown on site, to guarantee a **healthy and balanced gastronomic experience and habits**.

After a delicious meal, put on your shoes and have a walk among the **countless trails around the estate**. If you are an adventure-lover, bicycles or guided hikes are available to admire **majestic landscapes** of the region. Once back, take time to **meditate** or try some **yoga** practices to achieve **deep well-being** and refocus on **what's really important – yourself...**
